Ecco fatto. Hai completato il tutorial e ora sai come accedere a DISH Reservation.

The screenshot displays the DISH Reservation web application interface. The top navigation bar includes the "DISH RESERVATION" logo, a notification bell, the user name "Test Bistro Training", a language selector (UK flag), and a help icon. The left sidebar contains a menu with the following items: "Reservations" (highlighted), "Table plan", "Menu", "Guests", "Feedback", "Reports", "Settings" (with a dropdown arrow), and "Integrations". The main content area features a teal banner with the text "Have a walk-in customer? Received a reservation request over phone / email? Don't forget to add it to your reservation book!" and two buttons: "WALK-IN" and "ADD RESERVATION". Below the banner, there is a date range selector showing "Wed, 18 Oct - Wed, 18 Oct" and a service selector showing "All services". A message states "There is 1 active limit configured for the selected time period" with a "Show more" link. A filter bar includes radio buttons for "All" (selected), "Completed", "Upcoming", and "Cancelled", along with icons for a calendar (0), guests (0), and a table (0/37). The main content area shows a large circular icon of a person with binoculars and the text "No reservations available". At the bottom left, there is a "Print" button and a status message: "Too many guests in house? Pause online reservations" with a pause icon. The footer contains the text "Designed by DISH Digital Solutions GmbH. All rights reserved." and a list of links: "FAQ", "Terms of use", "Imprint", "Data privacy", and "Privacy Settings". A large yellow question mark icon is located in the bottom right corner of the main content area.
