The screenshot shows the DISH RESERVATION dashboard. At the top, there's a dark header with the logo, a notification bell, the user name 'Test Bistro Training', a language selector (UK flag), and a refresh icon. A teal banner at the top right contains the text 'Have a walk-in customer? Received a reservation request over phone / email? Don't forget to add it to your reservation book!' with 'WALK-IN' and 'ADD RESERVATION' buttons. Below this is a date range selector set to 'Wed, 18 Oct - Wed, 18 Oct' and a service filter dropdown set to 'All services'. A summary bar indicates 'There is 1 active limit configured for the selected time period' with a 'Show more' link. Below that are filter tabs for 'All' (selected), 'Completed', 'Upcoming', and 'Cancelled', along with icons for calendar, guests, and tables. The main content area shows 'No reservations available' with an illustration of a person looking through binoculars. At the bottom left, there's a 'Print' button and a warning: 'Too many guests in house? Pause online reservations'. At the bottom right, there's a help icon (question mark) and a footer with 'Designed by DISH Digital Solutions GmbH. All rights reserved.' and links for 'FAQ', 'Terms of use', 'Imprint', 'Data privacy', and 'Privacy Settings'.
