 Dat is alles. De groene bevestigingspop-up onderaan uw scherm geeft aan dat uw boekingslimieten succesvol zijn aangepast.

The screenshot shows the DISH Reservation settings interface. The left sidebar contains navigation links: Reservations, Menu, Guests, Feedback, Reports, Settings (selected), Hours, Reservations, Tables/Seats, Offers, Notifications, Account, and Help. The main content area is divided into three sections: 1. A dropdown menu for 'Should customers be able to reserve in 15, 30, or 60 minute intervals?' set to '30 minutes'. 2. A 'LEAD TIME' section with two dropdowns: 'How many days in advance can a reservation be made?' set to '365 days in advance' and 'How much notice is needed for an online reservation?' set to '2.0 hours'. 3. A 'BOOKING LIMIT' section with the instruction 'Pace your guests. Set the max amount of guests allowed to book per interval'. It contains two rows of time intervals and guest counts: '10 : 00 am - 01 : 00 pm' with a limit of 5, and '01 : 00 pm - 05 : 00 pm' with a limit of 4. Each row has '+' and '-' icons. A '+ Booking limit' button is at the bottom. On the right, there are three checkboxes: 'Other guests names', 'Other guests addresses', and 'Other guests phone numbers'. A 'SAVE' button is at the bottom right. A green banner at the bottom states 'Changes successfully saved' with a close icon.
