UPDATES

 A new window will open where you can change your password.

The screenshot shows a web application interface for changing a password. At the top left is the DISH by METRO logo, and at the top right is a language dropdown menu set to 'English'. The main heading is 'Change Password'. Below this, there are three input fields: 'Password', 'New Password', and 'Confirmation'. Each field has a toggle icon (an eye) to the right, indicating that the password can be toggled between visible and hidden states. At the bottom, there are two buttons: 'Back to application' (a light orange button with a thin border) and 'Save' (a solid orange button).

You need to enter your current **password**, your **new password** and for confirmation your new password again.
