

Bem-vindo ao painel do **DISH Reservation**. Neste tutorial, mostramos como criar um arquivo PDF de suas reservas.

The screenshot shows the DISH Reservation software interface. On the left, a sidebar menu includes: Reservations (selected), Table plan, Menu, Guests, Feedback, Reports, Settings, and Integrations. A message at the top right says: "Have a walk-in customer? Received a reservation request over phone / email? Don't forget to add it to your reservation book!" with buttons for WALK-IN and ADD RESERVATION. The main content area displays a date range from Sun, 11 Dec - Sun, 11 Dec, a dropdown for All services, and a message: "You have no limits configured for the selected date." Below this are filter options: All (radio button selected), Completed, Upcoming, and guest counts: 0 guests, 0 people, and 0/5 tables. A large central area shows a placeholder icon and the message "No reservations available". At the bottom, there's a "Print" button and a help icon (a question mark inside a circle). The footer contains: "Too many guests in house? Pause online reservations.", "Designed by Hospitality Digital GmbH. All rights reserved.", and links for FAQ, Terms of use, Imprint, Data privacy, and Privacy Settings.

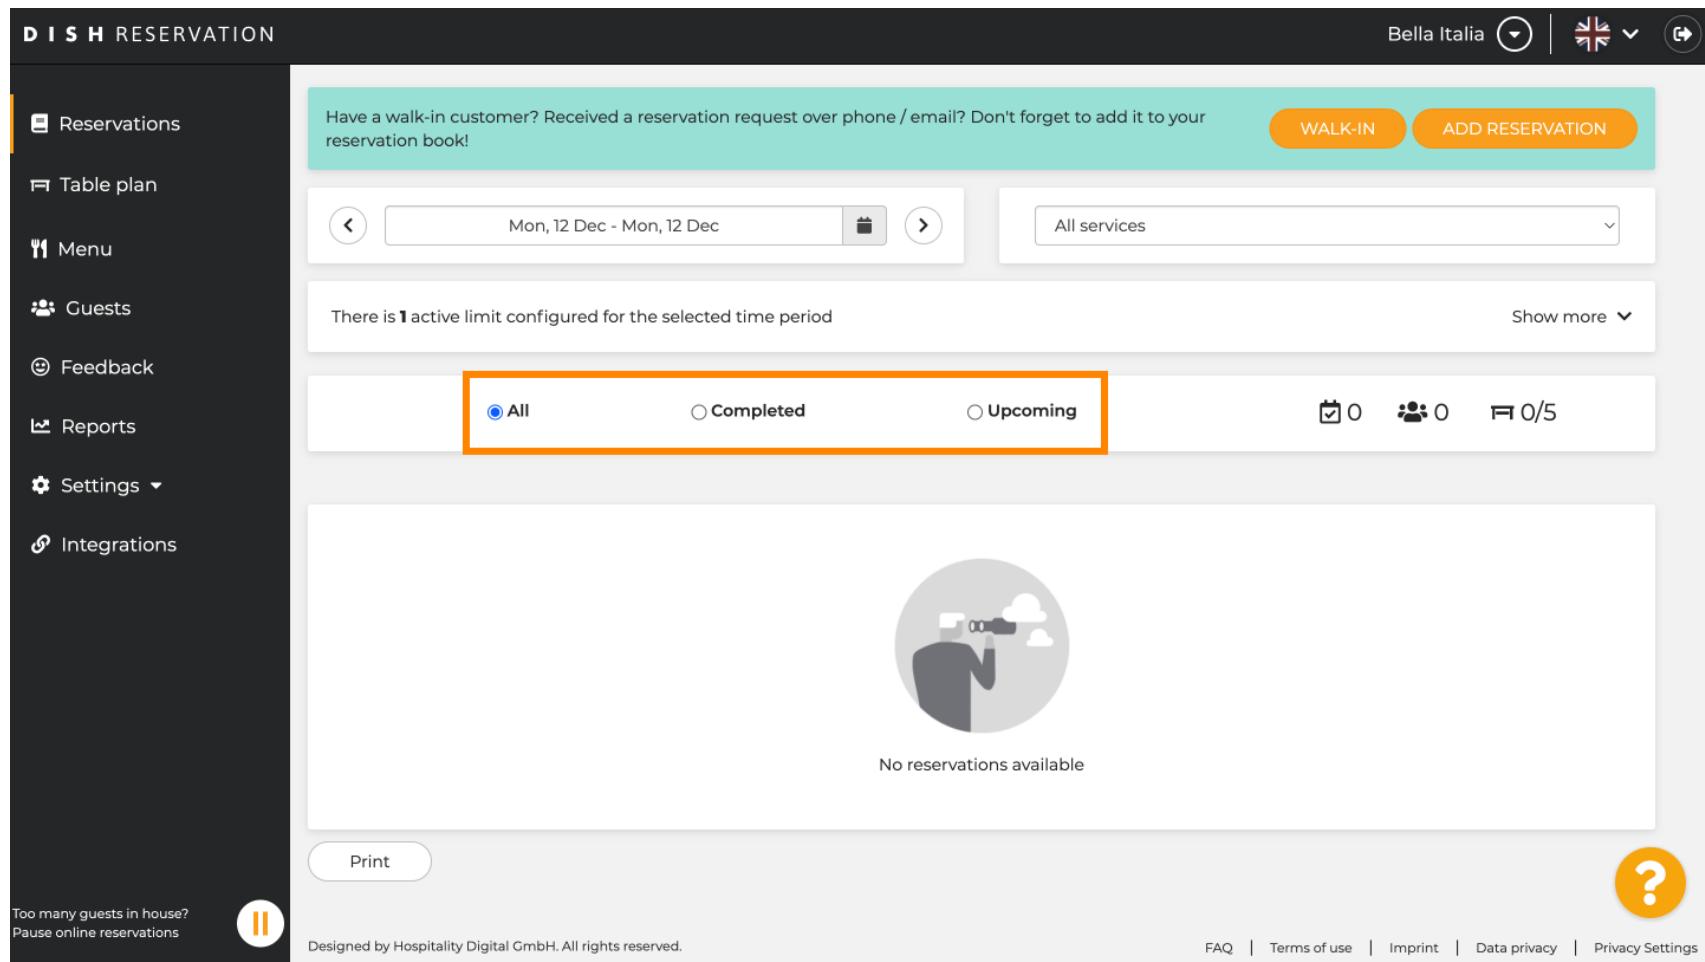

Selecione a data ou o intervalo de tempo que deseja incluir na exportação do PDF usando a função de calendário .

The screenshot shows the DISH Reservation software interface. On the left, a sidebar menu includes: Reservations (selected), Table plan, Menu, Guests, Feedback, Reports, Settings, and Integrations. A message at the top right says: "Have a walk-in customer? Received a reservation request over phone / email? Don't forget to add it to your reservation book!" with buttons for WALK-IN and ADD RESERVATION. The main area displays a date range selector showing "Sun, 11 Dec - Sun, 11 Dec" with a calendar icon, which is highlighted with an orange rectangle. Below it, a message says "You have no limits configured for the selected date." with a button to "Add a new limit". Filter options include "All", "Completed", and "Upcoming". At the bottom, there's a "Print" button and a large circular icon with a question mark. The footer contains links for FAQ, Terms of use, Imprint, Data privacy, and Privacy Settings, along with a note about guest limits and online reservations.

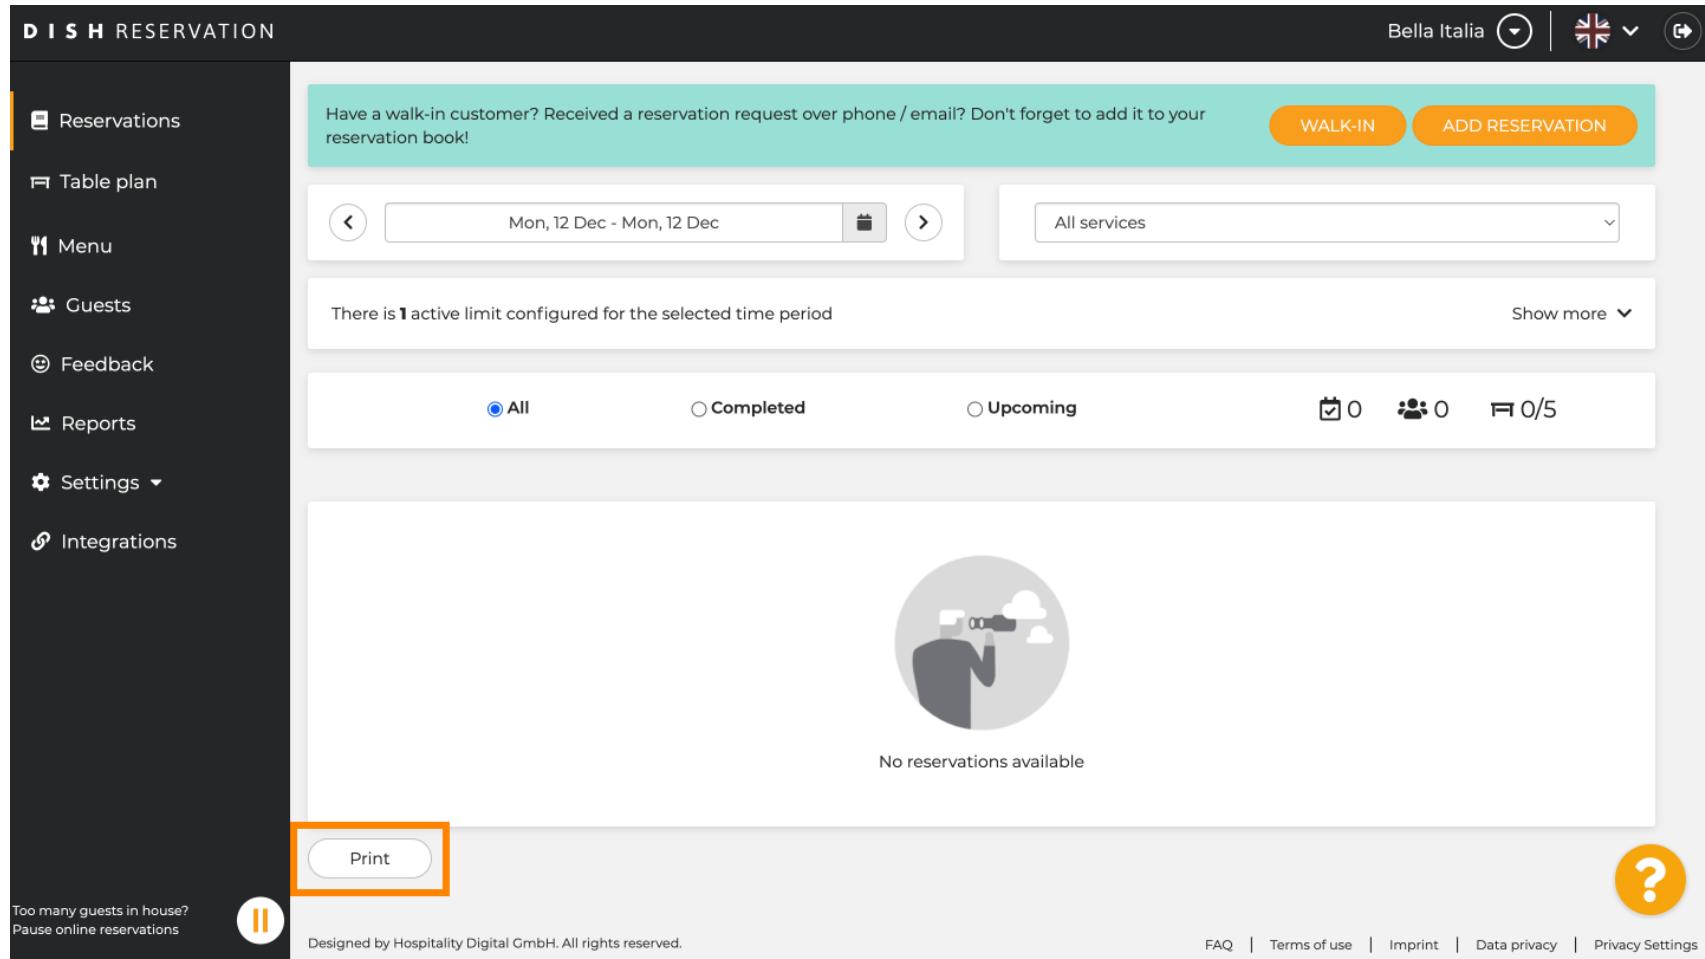

Escolha se você deseja ver apenas as reservas **concluídas**, **futuras** ou **todas** para a data definida.

The screenshot shows the DISH Reservation software interface. On the left is a dark sidebar with white icons and text for Reservations, Table plan, Menu, Guests, Feedback, Reports, Settings, and Integrations. The main area has a light gray background. At the top right, there's a location dropdown set to "Bella Italia" with a dropdown arrow, a flag icon, and a refresh button. Below that is a teal banner with the text: "Have a walk-in customer? Received a reservation request over phone / email? Don't forget to add it to your reservation book!" followed by "WALK-IN" and "ADD RESERVATION" buttons. The central part of the screen contains a search bar with date range "Mon, 12 Dec - Mon, 12 Dec" and a calendar icon, and a dropdown menu "All services". Below the search bar is a message: "There is 1 active limit configured for the selected time period" with a "Show more" link. At the bottom of this section are three radio buttons: "All" (selected), "Completed", and "Upcoming", all enclosed in a red rectangular box. To the right of these buttons are three small status indicators: a checked box (0), a guest icon (0), and a table icon (0/5). The main content area below shows a placeholder image of a person looking through binoculars and the text "No reservations available". At the bottom left is a "Print" button, and at the bottom right is a yellow circular icon with a question mark. The footer contains the text "Too many guests in house? Pause online reservations" next to a pause icon, and "Designed by Hospitality Digital GmbH. All rights reserved." The footer also includes links for FAQ, Terms of use, Imprint, Data privacy, and Privacy Settings.

Em seguida, clique em **Imprimir**.

The screenshot shows the DISH Reservation software interface. On the left, a sidebar lists navigation options: Reservations (selected), Table plan, Menu, Guests, Feedback, Reports, Settings, and Integrations. A message at the top right encourages adding walk-in customers or reservation requests. The main area displays a date range from Mon, 12 Dec - Mon, 12 Dec, a dropdown for services (set to All services), and a status bar indicating 1 active limit. Below these are filter buttons for All, Completed, and Upcoming, and guest counts (0). A large central area shows a placeholder icon for reservations and a message stating "No reservations available". At the bottom, a "Print" button is highlighted with an orange rectangle, and a footer includes links for FAQ, Terms of use, Imprint, Data privacy, and Privacy Settings.

- 💡 Será aberto um pop-up que permite que você edite o formato da sua impressão, por exemplo , layout , tamanho do papel , margens , escala .

Depois de definir o formato correto, clique em **Salvar**.

The screenshot shows the DISH Reservation software interface. On the left is a sidebar with options: Reservations (selected), Table plan, Menu, Guests, Feedback, Reports, Settings, and Integrations. The main area displays a message: "No reservations available". At the bottom left is a "Print" button. A modal window titled "Print" is open, showing print settings: Destination (Save as PDF), Pages (All), Layout (Portrait). Under Options, "Headers and footers" is checked, and "Background graphics" is unchecked. The "Save" button at the bottom right of the modal is highlighted with an orange border. The status bar at the bottom right includes links for FAQ, Terms of use, Imprint, Data privacy, and Privacy Settings.

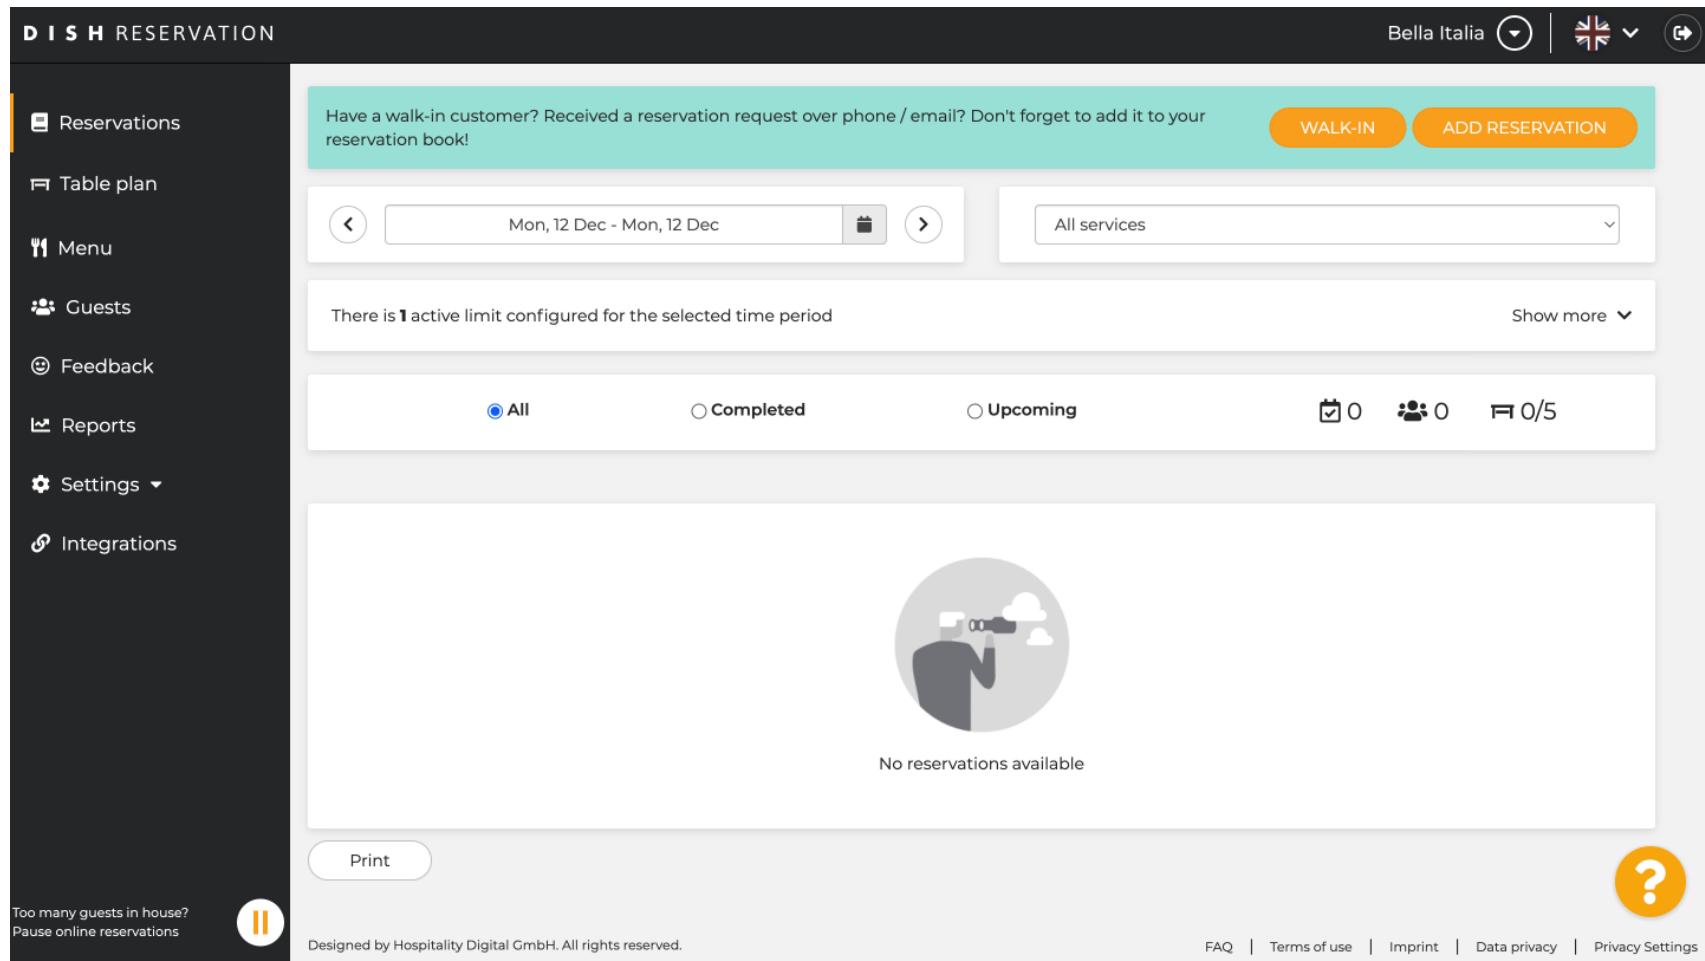

Agora nomeie seu arquivo, escolha um destino no seu dispositivo e clique em **Salvar**.

The screenshot shows the DISH Reservation software interface. On the left is a sidebar with options: Reservations (selected), Table plan, Menu, Guests, Feedback, Reports, Settings, and Integrations. The main area displays a message: "No reservations available". A central modal window titled "Save As:" contains the text "DISH RESERVATION" in the "Save As:" field. Below it are "Tags:" and "Where:" fields, both empty. At the bottom of the modal are "Cancel" and "Save" buttons, with "Save" being highlighted by a red box. In the background, there's a "Print" section with various settings like Destination (Save as PDF), Pages (All), Layout (Portrait), Paper size (A4), and Options (Headers and footers checked). The bottom of the screen shows a footer with links: FAQ, Terms of use, Imprint, Data privacy, and Privacy Settings, along with a question mark icon.
