The screenshot shows the login interface of the DISH app. At the top, there is a black header bar with a back arrow on the left and the text "Log In" in the center. Below the header, the title "Sign in to DISH" is displayed, followed by the instruction "Please sign in to your DISH account using your mobile number or email". There are two input fields: "Mobile number" and "Email". The "Email" field is currently active, showing the text "training@hd.digital" and a green checkmark icon on the right. Below the email field is a "Password" field with a "Show" link on the right. At the bottom of the form, there is a "Forgot password?" link. A large orange button labeled "Sign in" is highlighted with a yellow border. Below the button, there is a link "Log in with your METRO account". At the very bottom, there is a black bar with a white home indicator.

Vervolgens wordt u gevraagd een viercijferige pincode te kiezen. Voer uw pincode in het daarvoor bestemde **veld** in .

The screenshot displays the 'Set up PIN' screen in the DISH app. At the top, there is a black header bar. Below it, a red back arrow is on the left, and the text 'Set up PIN' is in the center. Underneath, the instruction 'Please choose a 4 digit PIN' is shown. A yellow rectangular box highlights the PIN input field, which contains four underscores. At the bottom of the screen, there is a light gray 'Continue' button. The bottom of the screen shows the home indicator bar of an iPhone.

Tik daarna op **Doorgaan** om door te gaan.

Om de door u onlangs gekozen pincode te bevestigen, voert u uw pincode nogmaals in het betreffende **veld** in .

Tik op **Bevestigen** om uw nieuwe pincode toe te passen.

Je pincode is succesvol ingesteld. Klik op ' **Doorgaan naar DISH**' om terug te keren naar het dashboard.

Dat is alles. Je hebt de tutorial voltooid en weet nu hoe je je pincode voor de app instelt.
