The screenshot shows the DISH mobile application interface. At the top, there is a header bar with the time (13:17), signal strength, battery level (100%), and a notification bell icon. Below the header is a navigation bar with three horizontal lines and a blurred profile picture. A red rectangular box highlights the 'Analytics' section. To the right of the box is a button labeled 'Go to My Dashboard' and the text 'Last 30 days'. The 'Analytics' section contains three cards:

- DISH RESERVATION**
  - 112 ▼ Total reservations
  - 5.10 ▼ Avg Guest/Reservation
  - 3 ↗ No Shows
- DISH WEI**
  - Data not available

Below the analytics section is a 'My Subscription' card. It displays the following information:

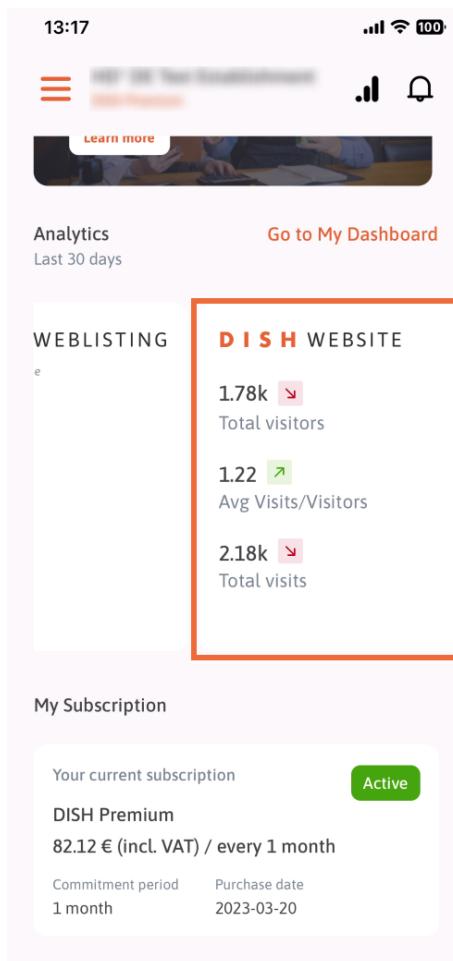

- Your current subscription: **DISH Premium** (status: **Active**)
- 82.12 € (incl. VAT) / every 1 month
- Commitment period: 1 month
- Purchase date: 2023-03-20

Ovo je primjer kako bi ekstrahirana analitika mogla izgledati ako podaci nisu dostupni.

The screenshot shows the DISH mobile application interface. At the top, there's a header bar with the time (13:17), signal strength, battery level (100%), and a navigation menu icon. Below the header, there's a banner with a "Learn more" button. The main content area has two sections: "Analytics" and "Go to My Dashboard". The "Analytics" section is titled "Analytics Last 30 days" and contains a card for "DISH WEBLISTING" which says "Data not available". To the right of this card are three metrics: "1.78k" (Total visitors), "1.22" (Avg Visits/Visit), and "2.18k" (Total visits). Below the analytics section is a "My Subscription" card. It shows "Your current subscription" as "DISH Premium", with a price of "82.12 € (incl. VAT) / every 1 month". It also displays the "Commitment period" as "1 month" and the "Purchase date" as "2023-03-20". A green "Active" button is visible on the right side of the card.
